## August 16, 2017

Part of the legacy of Zephyr Point is what it means to so many people and how they express that love and belief in what God does here. This was never more evident this past weekend when we had two dedications of two special places on the property – the Crawford Memorial Lookout, and the LinnView Cabin (Cabin 28) that will be a warm and cozy coffee shop next summer.

The Crawford Memorial Lookout dedication commemorated the lives of three members of the Crawford family, John, Joe, and their father Michael, who were tragically killed 37 years ago a week after John and Joe had been here for camp. To celebrate their lives, a lookout was built 36 years ago by people from the church they attended, Bethany Presbyterian Church of Sacramento. It was a special and powerful reunion when they gathered on Saturday to re-dedicate the newly renovated memorial lookout (see picture above).
